DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of Group II the card game apparatus, and the species in Figs. 3-6 in Paper No. 4 is acknowledged. The traversal is on the ground(s) that these cards would be inappropriate for a trivia game because the card has both the question and the answer on the same side of the card. Furthermore, the elected species is not patentably distinct from the other claimed species which are mere variations of the claimed invention. This is not found persuasive because the Examiner maintains that the cards may be used as question and answer cards for playing trivia games. Furthermore, the cards in Figs. 1, 2, 7 and 8 include "Action" cards, while the cards in Figs. 3-6 do not include "Action" cards. It would be a burdensome search for the Examiner to search for both species.

The requirement is still deemed proper and is therefore made FINAL.

2. This application contains claims 2, 3 and 18-35 drawn to an invention nonelected with traverse in Paper No. 4. A complete reply to the final rejection must include cancelation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Allowable Subject Matter

3. Claims 1, 4-17 and 36-38 are allowed.

See the reasons for allowance in the first Office action, paper number 3.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3711

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
